

ORIS_E3 Promotion for fitters with the first all-electric retractable towbar for retrofitting

Promotion period: 1 April-31 July 2025

Conditions of participation ORIS_E3 B2B Promotion 2025

1. Eligibility to participate

- 1.1. Car workshops and towbar assembly points based in Germany, Austria, Switzerland, Great Britain, Belgium, Luxembourg and the Netherlands are eligible to participate. Registration for participation in the promotion must be made by an authorised representative. The prize will be allocated to the company in the sense of a car workshop or towbar assembly point, not to the person registering. Car spare parts dealers, distributors and other resellers of towbars who do not offer towbar installation are excluded from the promotion. The latter are also not authorised to participate on behalf of their customers (garages and towbar fitting points).
- 1.2. The promotion cannot be combined with other promotions.
- 1.3. The campaign organiser also reserves the right to exclude garages that attempt to gain an advantage by providing false information or other manipulation.

2. Action handling

- 2.1. This promotion is valid while voucher stocks last. A maximum of 5 vouchers can be gained per customer location during the promotion period.
- 2.2. The bonus will therefore be sent directly to the workshop address/e-mail address.
- 2.3. The bonus can be claimed once for each promotional product that fulfils the conditions of participation. The rewards cannot be exchanged, nor can they be paid out in cash.
- 2.4. The receipt of a promotional bonus is linked to the purchase and installation of an ORIS_E3 towbar.
- 2.5. Promotion period: 1.4.-31.7.2025.
- 2.6. You can upload the invoice for the purchased ORIS_E3 towbar and the images showing your installation during the above-mentioned promotion period via the upload links on these ORIS_E3 promotion landing pages (please use the link or the QR code for this).
